Learn & Earn Corporate Internship Program

Applications are being accepted through March 30, 2020.

2020 Internship dates: June 15 - August 7, 2020

Orientation: June 9 & 10, 2020

What is the Corporate Internship Program?

The Learn & Earn Corporate Internship Program is an 8 week professional internship program for young adults ages 18-24 who have prior work experience and want to build their skills in in-demand industries. Young adults who are selected will be matched with major corporations and community partners throughout Allegheny County.

Young adults will earn up to $10.35 per hour for 25-30 hours a week. The summer will also include paid professional development for participants to further build and refine their work readiness skills.

Do you have the right skills for the program?

- Prior work experience
- Commitment to work and learn
- Positive attitude

How do I apply?

Interested candidates must complete the online corporate application on our website at jobs4summer.org.

Application open: January 6, 2020 through March 30, 2020. Space is limited!
